# Volunteer Testimonies

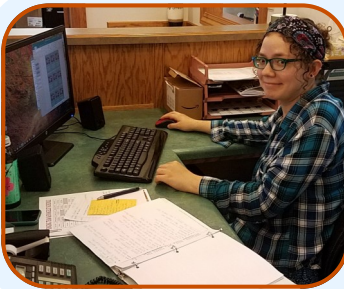

My time at Gospel Express was not only ministry to others but it was also a time of healing and growth for me personally. It was a blessing to see God work in so many ways internationally. I am grateful for the opportunity to serve Him in North Carolina through Gospel Express.

I have been blessed and stretched in ways that I never dreamed possible, as well as challenged to reach for higher levels of growth and maturity. My coworkers have become like family and I'm grateful for the privilege of doing life here in the Carolinas. God has been so good, and I can't thank Him enough for giving me this opportunity.

I cannot even begin to express my gratitude for the amazing work God has done in my life during my time here at Gospel Express. God demonstrated His faithfulness, gave me a spiritual family in the staff here, grew my gifts, and is using me in ways I never could've imagined.

Office life is so much more than just a job, it's a very enriching experience. Partnering with believers across the nation who have the same goal in mind—proclaiming the Gospel of Jesus Christ throughout the world—brings hope and peace to my own heart.
