

Jesus

THE NAME ABOVE EVERY NAME!

Spring Garden Tent Meetings
— Kinzers, PA

May the NAME OF JESUS be spoken and heard across the nations and the whole world. His name brings Hope! *Wherefore God also hath highly exalted him and given him a name which is above every name: Phil 2:9.* We can so easily get discouraged with all the darkness and fear around us. Be encouraged... Jesus, The Light, will overpower any darkness, and “in Him” there is no darkness! This theme was driven home during the tent meetings, as people gathered night after night, and collectively through song and preaching, lifted up and spoke the NAME OF JESUS! I believe this created an atmosphere of light, which overpowers fear, control, and confusion. Therein we find freedom, hope, and forgiveness. Let’s stay focused on the light!

“What a week!
We were revived and we rejoiced!”
~Junior

“Little did we know we would start the week with a funeral of one of our own faithful men. God used this time to bring glory to Himself and bring a community closer together.”
~Elam

“It appeared God was speaking directly to me and I allowed Jesus to heal my broken spirit”
~Marilyn

Thank you to all those at Spring Garden Church and beyond for praying and serving in so many ways. Together we can bring hope to our communities.

Because of Jesus,
Dave Miller

A Family IMPACTED

Our experience attending the Gospel Express revival meetings (was) an unexpected yet good journey. (Even) when you think you have a good relationship with God, He calls you to a higher level when you spend time in His presence. Truths (were) revealed, prayers answered, and new doors opened. The simplicity of the Gospel was very clearly preached, while also encouraging us to take a closer look at who God is and where He is in our personal life. It was truly a blessing to be able to attend and see first hand how God is working in the Miller Family. Their life path and mission has been a great encouragement. The normal is not always what God wants. He will call you if you're willing to listen. Thanks for what you have done for our family!

~ Marcus

Miller FAMILY REPORT

In addition to the tent meetings, other recent ministry opportunities included a youth conference, itinerant (one night) services, revival meetings, and a marriage retreat. God continues to do exceedingly abundantly above what we ask or think! *Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us.* Eph. 3:20.

We are so grateful to God for another new recording.

~Dave Miller

NEW ALBUM

My wife and I were so blessed and are so grateful God worked through your efforts and your time with us here in Oklahoma to change people's lives and to change marriage relationships for the better. It was a blessing to be challenged in our worship to God and it was good to get more personal as husband and wife, to hug each other, and share with each other.

It was encouraging to see and observe your relationship (with Ruth Ann); how you love and enjoy each other and are able to have fun and laugh together.

May the good Lord bless you and your wife and family and continue to make your ministry fruitful and productive for the kingdom of the Lord!

~Pastor Wilmer Komelson

Express Studios

From vision to reality

After 37 years and over 50 recordings the vision of having our own studio at headquarters in Columbus, NC, has come to fruition. The newer multi-purpose building opened up space to convert an apartment in the original office building into a recording studio. Brother Mervin Wengerd, a former trim carpenter, had a window of opportunity to spearhead the renovation. Mervin, with the help of Clinton Miller, and Music Maker (local

AV company), brought the project to completion. Kyle Miller is serving as lead engineer and took the initiative to research, purchase, and set up the various components. "Express Studios" is primarily equipped for vocal sessions, but will also accommodate music overdubbing and video work and is open to the public. If interested in scheduling any sessions, please email studio@gospelexpress.com

What Has The Stoltzfus Family Been Up To?

Greetings from Lancaster County! Our summer was a busy one, moving and getting settled into a new place, singing at camp meetings, fundraisers, community events, along with a father-daughter banquet. A weekend in Ohio and the Landisville camp meetings were highlights. Currently, we are enjoying some time at home and refueling for our busy fall tour and banquets!

Garden Hoe and Empty Bags — Practical Principles of Stewardship —

Ministry partners like you have enabled us to give food parcels to over 1,500 families in just the past 2 months alone. Uganda is in partial lockdown for schools and churches and some travel ban curfews are still in place. The restrictions, coupled with drought in some parts, necessitates a continual need for food parcels. Food, of course, is the great necessity, but now it's planting season and therefore we included a new garden hoe with each parcel. Many of these villagers

have not laid hands on a new hoe in their lifetime. One August trip highlight was giving food packages to 120 elderly families and 250 schoolteachers. The latter had not received any income since May. One teacher, with hoe and parcel in hand, said, *"This is unforgettable!"* The garden hoe enables them to plant some seeds, even if it's a very small plot, and then to share this hoe and some seeds with neighbors who do not have.

\$25 Parcel
Includes:

- Maize flour
- Rice & Beans
- Salt & Sugar
- Soap
- Empty plastic bags
- Garden hoe

**** Provides for a family up to 3 weeks*

'Why empty bags?'

Jesus said, *"Give and it shall be given."* Therefore, we have asked every recipient to put a portion of their maize flour and beans into the extra bags and give to others in need. Most do not have shillings to give, but they can show the love of Christ by **tithing** some of their food to other needy families.

"God is not in lockdown"

~ Pastor Ben

The greatest blessing of all is to see how many food recipients are giving their lives to Jesus Christ as the gospel is proclaimed. We are seeing many Muslims and Catholics receive the very Jesus who rescued them in their time of suffering. In fact, our Muslim driver (Zed) for the past twelve years, has just come to know Jesus Christ. I had the honor and privilege, along with Gary and Rosa, to baptize Zed during my recent trip to Uganda... absolutely amazing!

From Shacks TO SHELTERS

“Our shame and humiliation has been taken away.”

~ Shelter Recipient

“And they shall build the old wastes...For your shame ye shall have double... everlasting joy shall be unto them” (Isaiah 61: 4, 7). **These poor villagers only dreamt of someday living in an actual house!** Due to poor roofing conditions, many experienced sleepless nights during the rainy season and rodents would enter their shacks at night. A group of shelter recipients gathered at the church to express their heartfelt appreciation. For Gary, Rosa, and I, it was a moment where you just stood back and observed the absolute joy as they danced, cheered, and cried, uttering many words that we could not understand. Their eyes and body language said it all! These \$1,900 shelters may not seem like much to us, but to them it is a castle!

15 Shelters Built
7 Under Construction
8 Pending Sponsorship

SHELTER UNDER CONSTRUCTION

They brought us gifts of appreciation. First came fruit, and then more fruit, and then a goat, and another goat, and then a chicken. **Some new shelter owners were giving all they had.** Many of these shelter needs were discovered as pastors visited villagers during lockdown with door-to-door food distribution. Most all of these families have now given their life to Jesus Christ!

*What Does a
\$1900
Shelter Provide?*

- A 12 X 18 dry home with windows
- A door with a lock
- A tin roof & concrete floor
- 3 rooms

Water Well UPDATE

Dedication/celebration services were held for 4 wells in the past 3 months, two in Nigeria and two in Uganda. Our sincere appreciation to sponsors from Lancaster, PA, Ontario, Canada, NC, and places in between.

I have observed how natural disasters, humanitarian crisis, and suffering, in general, brings people together. It moves people from being independent to interdependent. **It's not only bringing people together but it's bringing people together with God.** Sixteen years ago, as a hurricane Katrina relief worker, I traveled I-10 in Mississippi. Most billboard signs were destroyed, but one seemingly undamaged sign said, **“We need to talk—God.”** Yes, we live in a world of turmoil, but Jesus still speaks to those who take time to listen.

Harbour Lights UPDATE

“I thank my God upon every remembrance of you..”

~ Phil 1:3

Greetings from HL Ministries Inc. (formerly known as Harbour Lights). Never before has our message of hope stood in such strong contrast to the fear around us. In spite of many unknowns, countless restrictions, and many canceled events, HL Ministries is growing.

Just over a year ago we opened up a thrift store in Arborg, MB. We've had an incredible amount of support and are so thankful for consistent income to support the ministry. So, while doors remain closed for us to travel and sing in Canada (due to most prisons and senior homes still being in lockdown), the thrift store has enabled us to pursue other avenues of ministry.

*Please join us in praying
for all the lonely and
disheartened in our land.
Ask God to open our
eyes to see them
as He does.*

In April, we mailed our first edition of *The Sunshine Paper*, a happy publication for those who have more miles behind them than ahead of them. Currently, we have about 1,650 recipients. Every month we receive letters of appreciation from seniors that let us know how much they needed some positive mail. We give them opportunities to share their stories with other readers. Another creative way of encouraging seniors has been fresh flower arrangements. We partnered with local businesses and individuals who sponsored each senior home in our neighboring towns. Over 100 seniors received a cup of fresh blooms delivered to their door! People are so hungry for love – they want to know they have not been forgotten – and this was a tangible affirmation.

**Thank you for your kind support through the years –
we sure miss seeing you all!**
