

# How Can You Help?

- \* **Pray** - we need Godly wisdom and direction in each avenue of ministry.
- \* **Join a mission team to Uganda** - helping in the medical clinics, prisons, villages, churches, children's ministry, and construction projects.
- \* **Sponsor medical needs** - proceeds are needed to sponsor heart, hernia, plastic and reconstructive surgeries in Uganda, Nigeria and Ghana. We sponsor several hundred surgeries per year ranging from \$200.00-13,000.00 USD per surgery.
- \* **Give proceeds** - blankets (\$7.00/each), tarps (\$5.00/each), mosquito nets (\$4.00/each). The cost to sponsor a one-day medical clinic is \$3,500.
- \* **A \$25.00 Parcel** of flour, rice, beans, spices, and soap sustains a needy family for 4 weeks. (Uganda, Nigeria, & Kenya)

# Gospel Express International Ministry

**“Therefore, whatever you want men to do to you, do also to them, for this is the Law and the Prophets.” — Jesus**

**“WHERE THERE IS A NEED, THERE IS A CALLING AND IF YOU SEE THE NEED, GOD MAY BE CALLING YOU.”**

# UGANDA, KENYA, AND NIGERIA

# EVANGELISM

It's common to have 300-1200 prisoners sit on the ground in the hot sun to hear mission teams from North America sing, testify, and preach the Gospel. Most of the 222 Uganda prisons do not have a chapel or a chaplain.

Receiving Bibles in their language

It's heartbreaking but quite common to see some little children up to 3 years old in prison with their mother.

## SHELTER MINISTRY

\$3,000 moves a family from a mud hut to a brick, 3-room, tin roof shelter with windows, doors, and a latrine.

# DISCIPLESHIP

Discipleship teaching began with *From Bondage to Freedom* seminars in prisons and churches. **Then the pastors requested this seminar along with 2 Timothy 2:2 based leadership training conferences.** We had our first two-week "Disciples Indeed" conference to train leaders in March 2023. Uganda is a country of unshed tears with many hurts stemming from heart issues such as verbal, physical, and sexual abuse.

such as verbal, physical, and sexual abuse.

## BIBLE DISTRIBUTION

**\$9.00 English—\$14.00 Local language**

Proceeds designated for Bibles along with the Read-A-Thon funds enable us to purchase and distribute thousands of Bibles to prisoners, refugees, villagers, pastors, and school students (including Muslims) in Uganda, Kenya & Nigeria.

# COMPASSION

Mission teams from North America work alongside our Ugandan medical staff to **provide medical care to 500-700 people a day in village medical clinics.**

These clinics serve as an amazing platform to present the Gospel to a variety of people groups, including many Muslims.

**"I WAS SICK AND YOU VISITED ME."** Matt. 25:35

## SURGERIES & SPONSORSHIPS

Financial assistance is needed year-round to sponsor surgeries that are often life-threatening. This includes sponsorship for babies/children that are flown from

Uganda to India for more delicate heart surgery procedures.
